♥ OUR LIBRARY.
OUR COMMUNITY.
OUR FUTURE.

MESSAGE FROM THE DIRECTOR

Looking Ahead. Together.

As we embrace the energy of summer and look ahead to the future, I am inspired by our community's continued support and engagement. Together, we are building more than just a library—we are building a stronger, brighter Wyandanch.

This season, we celebrate the power of a library card and the doors it opens—discovery, learning, creativity, and connection. We honor Hispanic Heritage Month by embracing the rich cultures, histories, and voices that make our community stronger. And we look ahead with excitement to the future—one that includes a new library designed to inspire, innovate, and serve generations to come.

Thank you for being part of our journey. Your ideas, participation, and passion help shape a library that reflects who we are and where we're going.

Here's to a vibrant summer
and an inspiring future!

Dr. Lambert Shell
Library Director

LIBRARY CARD POWER

A library card connects you to endless possibilities—books, technology, programs, and opportunities. It's your key to everything the library has to offer!

HISPANIC HERITAGE MONTH

We celebrate the history, culture, and contributions of Hispanic and Latino communities that inspire and enrich our shared story.

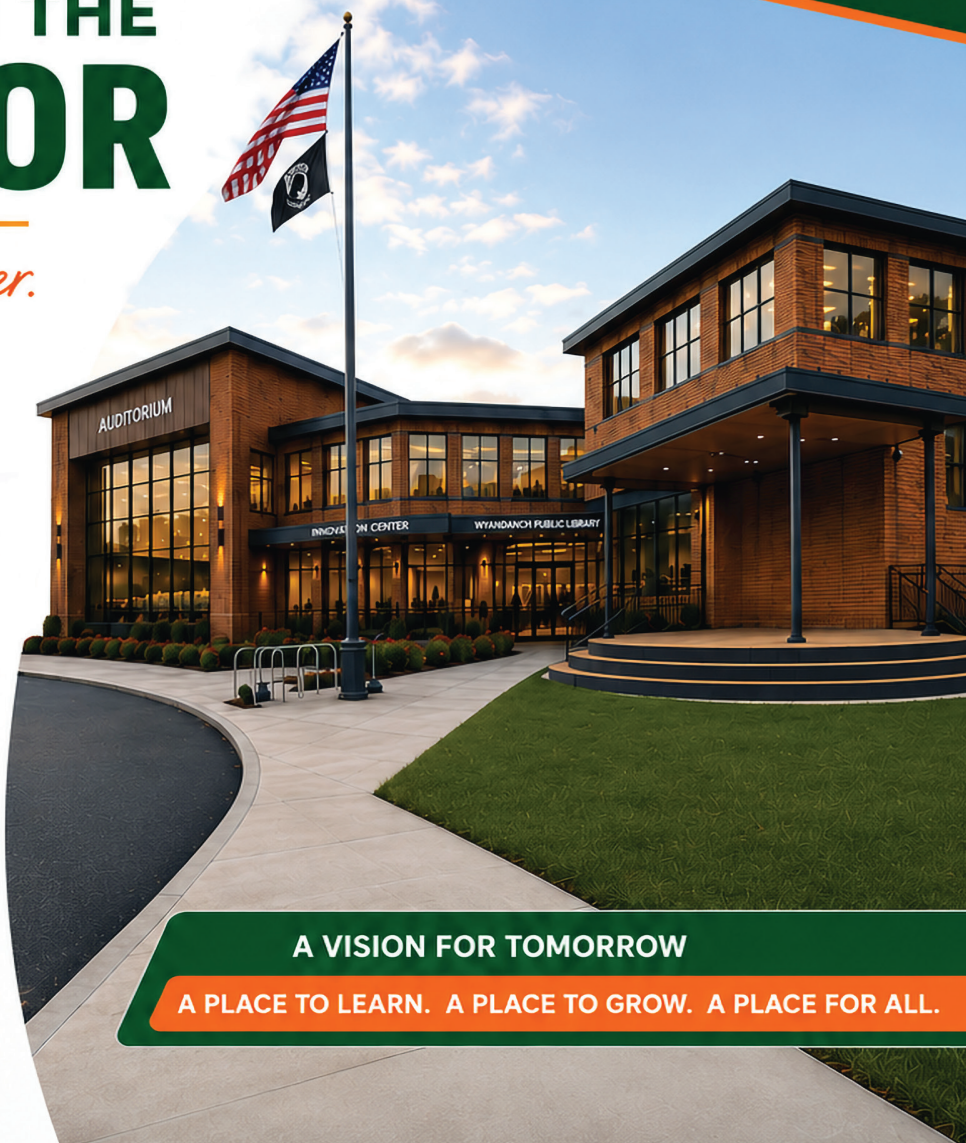

BUILDING OUR FUTURE

We're planning for tomorrow with a new library building—designed to inspire, innovate, and serve generations to come. Your future. Your library.
